

Mission

JM BIBLE COLLEGE

"Be still, and know that I am God; I will be exalted among the nations, I will be exalted in the earth."

Mission Statement:

Our mission is to open channels of creativity that inspire and educate the next generation while enabling them to problem solve issues yet unknown and to apply knowledge in various disciplines. JM Bible College - ONLINE will offer Bachelor degrees from the schools of Computer Science, Mathematics, Communication, Theology, Accounting, Business Administration, Tourism and Environmental Sciences, Agriculture, Education, Health Administration and Psychology. JM Bible College is based in the United States in a joint effort with countries such as Japan, Israel, Tanzania and Kenya among others. The college will address the needs of its students worldwide.

JM Bible College will serve and increase enrollment capacity of Education entrants worldwide by educating and preparing students for productive careers in public and private sectors through online and distance education. The College will positively contribute to the evolving needs of society by removing barriers that restrict access and success in higher education, especially for those underserved and non-traditional groups that make up an ever-growing proportion of the population.

The vision of the institution is to chart a balanced Christian Life that is fulfilling by way of Christian education and a mindset that seeks to optimize on God given talents and abilities. The College will admit High School Graduates and encourage them to live life the bible way. Our curriculum is designed to shorten and training period by eliminating redundant prerequisites, and increase job training opportunities that leverage for permanent employment
